THE ARTS COMPANY

Creative Kids Program

It is good to see The Arts Company reach out to the next generations. The Creative Kids program has started with primary-school-aged children meeting after school on Tuesdays and Thursdays from 4.30pm until 6pm in the Studio Gallery to create artworks under the expert tutelage of Rita Burridge. Bookings can be made by calling Nikki Adams on 5523 6566.

Bush Fire Relief Exhibition

The Bush Fire Relief Exhibition attracted a wide range of artworks from all over Australia, from afar as Sydney and South Gippsland. The Red Cross Bush Fire appeal was increased by over \$1,000 from The Arts Company effort. It was pleasing to see the Studio Gallery with such an eclectic display of works. It may not be widely known that the Gallery is available to the community for single exhibitions at a very moderate fee.

Volunteers Please!

The Arts Company relies on volunteers to keep the retail gallery open. Please contact Nikki if you have the time and interest to join our volunteer ranks.

New Workshops Program

The new workshop program is available to pick up at The Arts Company or you can have a PDF file emailed to you. It will also be uploaded to the CEMA webpage soon. Email Nikki on theartscompany@westnet.com.au

A full range of workshops including, Paverpol Garden Sculpting, a variety of Printmaking classes, Feltmaking, Silk painting and Lead lighting. We are also introducing an Artist Talk series on a monthly basis where you can share in the work of local and regional artists.

Arts Co AGM

The Arts Company Annual General Meeting will be held April 22nd at 6.30pm. There will be a Guest Speaker, Bill Collett, who will speak on '19th Century Shipwrecks and Rescues'.

Choral Group

Present and former members of the Choral Group combined with singers from the Wesley Uniting Church to form a special choir for the funeral service of Mrs Nancy Malseed, who was the Choral Group's first pianist from 1990. Nancy passed away in Peshurst on 3rd of March and is very fondly remembered by many, for her outstanding contribution to music in Portland over many years.

We have one new member, but attendances are still being affected by so many choristers who also love traveling! There are immediate vacancies for male and female singers aged from 12 up and we would especially welcome a pianist. Not sure? - well come along at 7:30 any Monday night at the PAC and try it.

June Roberts (Convenor/Conductor)

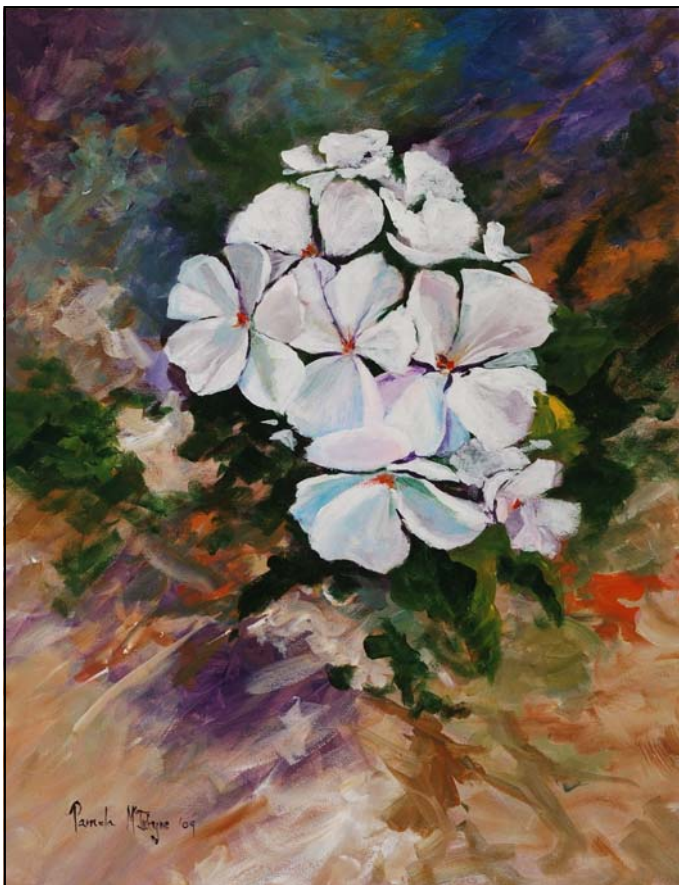

Fibre Group

Our president Mary Sharrock left for her trip from Moscow to Beijing on the 9th March. She will be home mid April, and we all hope she has a happy and interesting trip.

We welcome new member Joyce Trezise. We would welcome anyone interested in working with fibres. We have talented members who are able to teach spinning, felting, knitting, crocheting and weaving, plus other small projects.

Shortly we will share the pavilion with the Quilters. Some new cupboards will soon be installed for the Quilters to use.

Six women in Beirut seek love, marriage, and companionship and find duty, friendship, and possibility. Four work at a salon: Nisrine, engaged to Bassam, with a secret she shares with her co-workers; Jamale, a divorced mother of teens, a part-time model, fearing the encroachment of time; Rima, always in pants, attracted to Siham, a client who smiles back; Layale, in love with a married man, willing to drop everything at a honk of his horn. There's also Rose, a middle-aged seamstress, who cares for Lili, old and facing dementia. Rose has a suitor; Layale has an admirer on the police force. Is delight a possibility? Is caramel a sweet or an instrument of pain?

FILM SOCIETY

On 7th March the Film Society had a successful screening of 'Storm Boy' and 'Blue Fin'. This was our own bush fire fund-raiser. Proceeds will be donated to the RSPCA appeal for animals traumatised by the fires. Thanks to the South Australian Film Commission's help with this project. Many thanks also to Southern Star film distributors who waived the screening rights fees, which allows a further amount of \$110 to be added to the donation.

Exact amounts will be published in the Observer and in next months newsletter.

Our April screening will be 'Caramel', on Saturday, 18th of April, 7.30pm at the Arts Centre. A film set in a Lebanese beauty parlor where the women who work there share friendship and wisdom. A heart-warming film rated P.G.
